1

WHY ¿

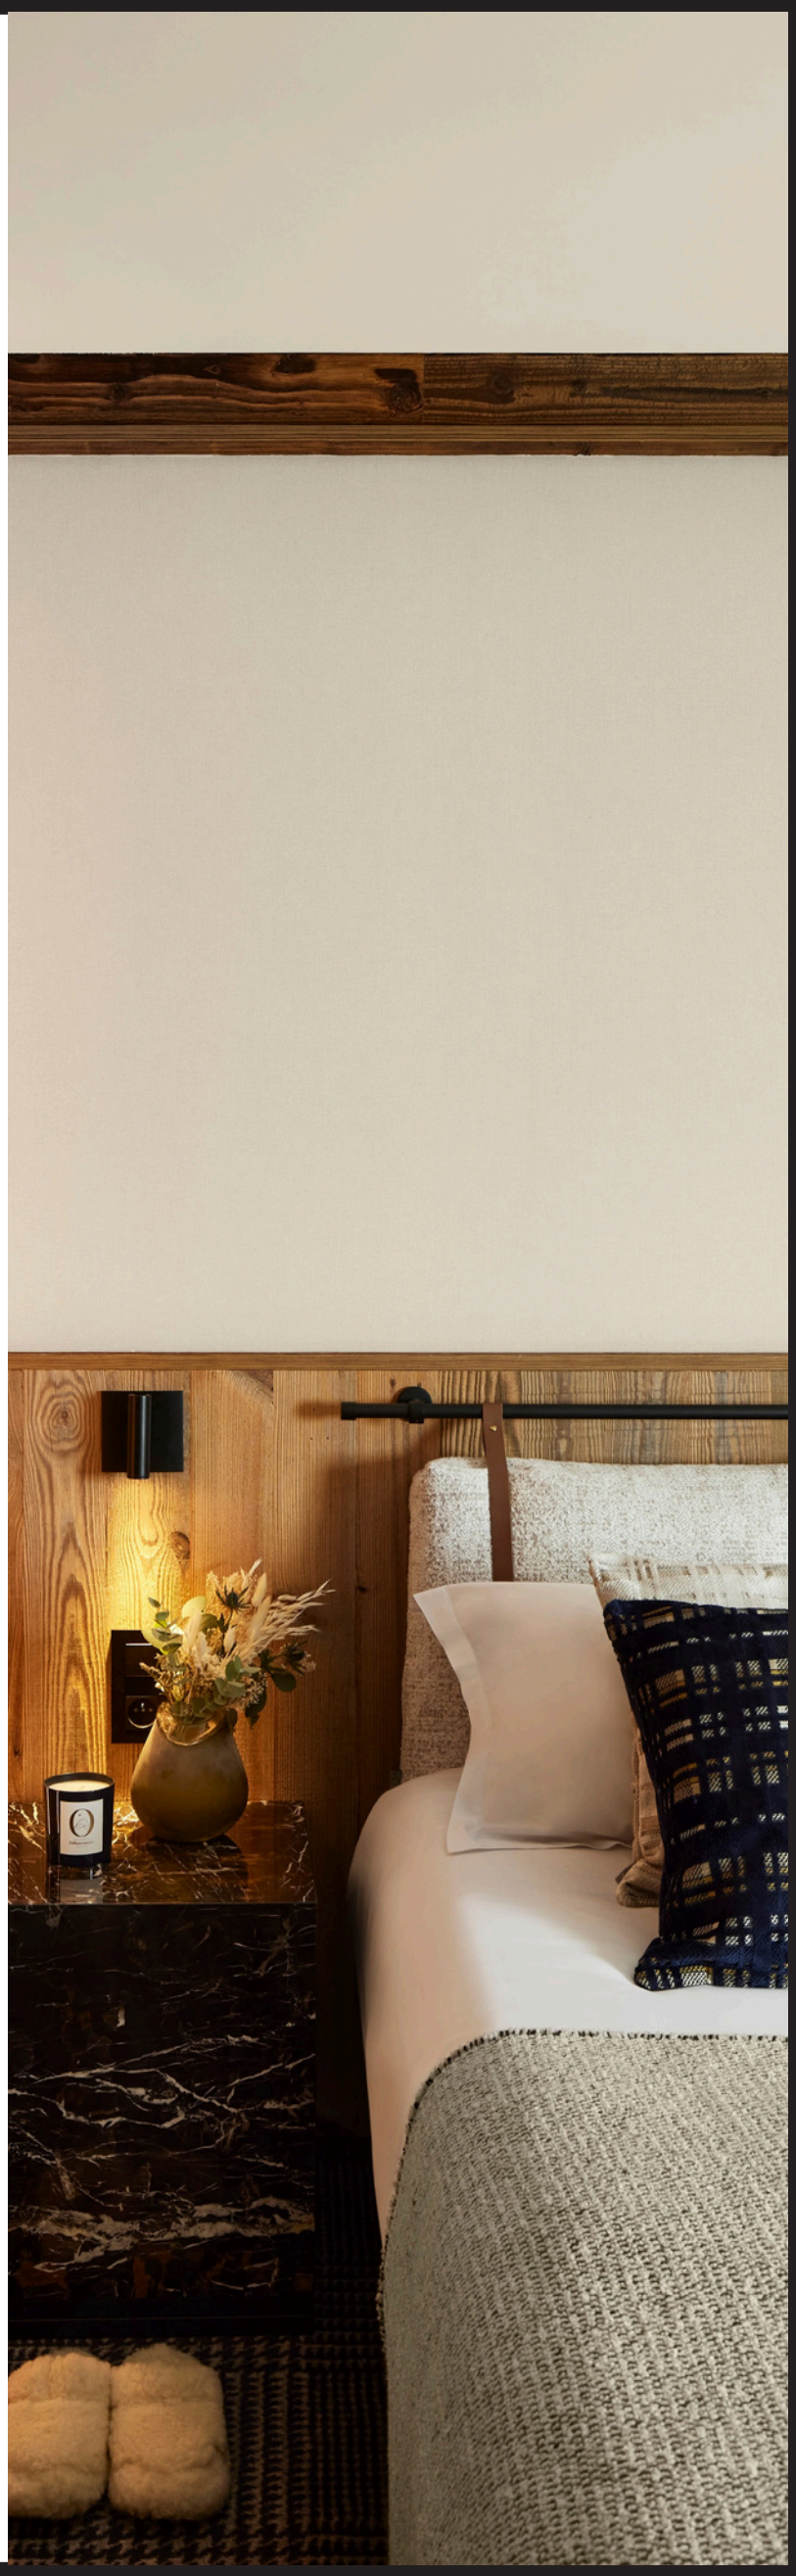
1+1=3

A.C.P is the synergy between AT Groupe, a specialist in furniture and decor supply for the hospitality and retail industries, and Studio Chantal Peyrat, an interior design firm with over 20 years of expertise. Together, they form A.C.P: your Amazing Contract Platform.

With A.C.P, you have a single point of contact with cross-functional expertise to support you at every step of your creative interior design and decoration project.

WHY ?

Today, hospitality clients face two major challenges:
Optimizing purchases and logistics during often lengthy and stressful design projec ts.
Ensuring a unique, cohesive decorative identity that creates a distinct brand universe.



2.
